Menacing Earth Works – Variant of Spike Concept

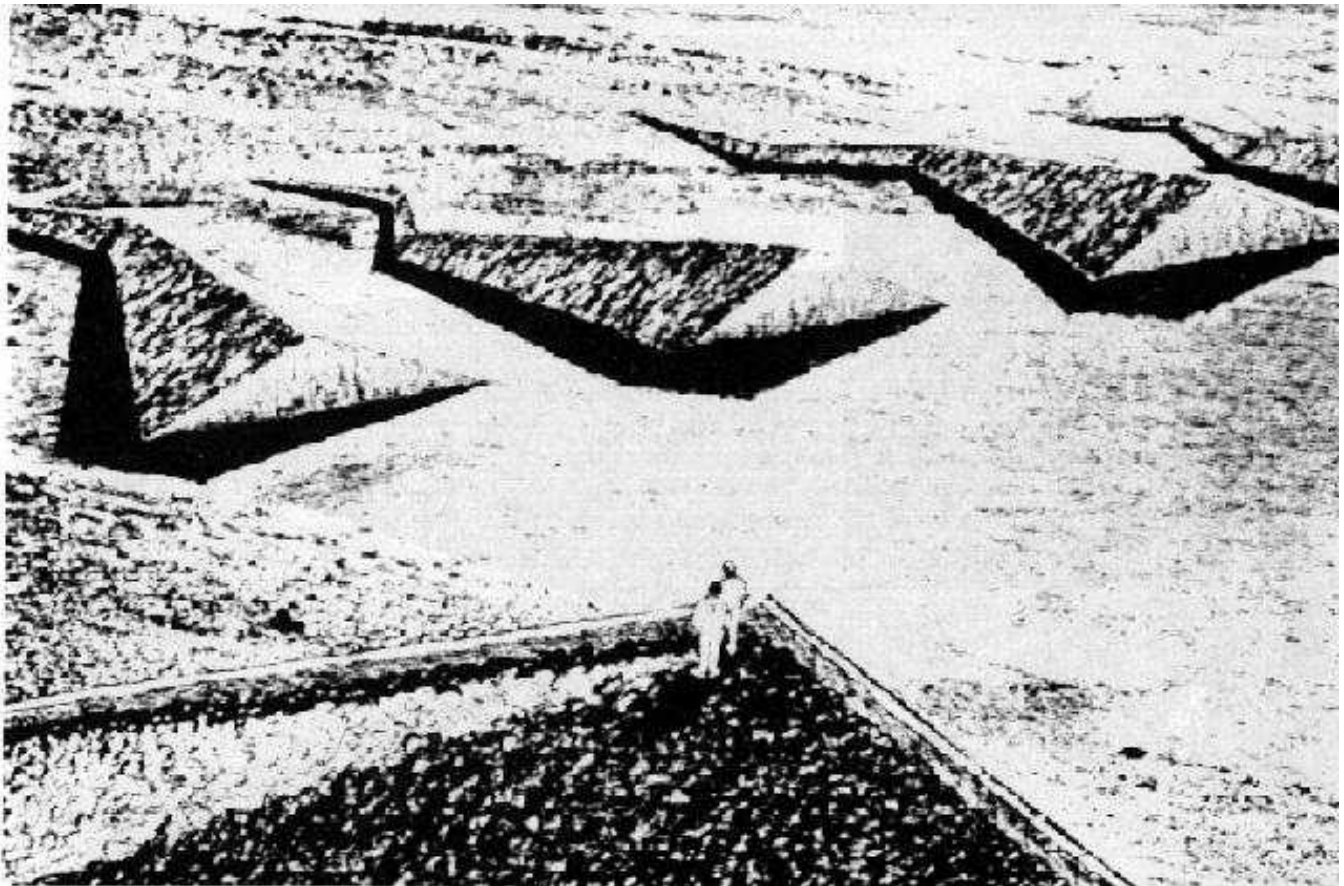

• world map of other
burial sites

- NOT call left to right
- vantage points for panoramic view at tops of 4 major berms

MENACING EARTHWORKS

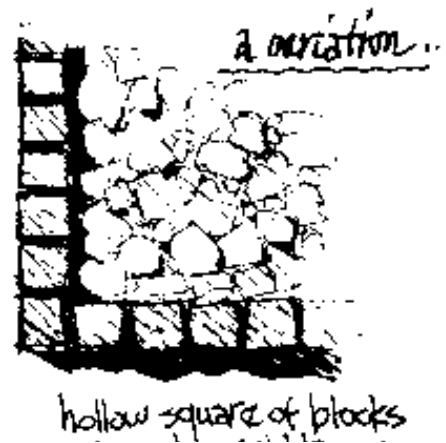

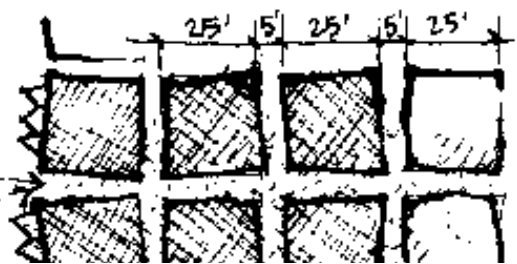

FORBIDDING BLOCKS

exploded landscape but reorganized in regular regularity. ordered but not respected

massive effort to deny use

too narrow to use in farming

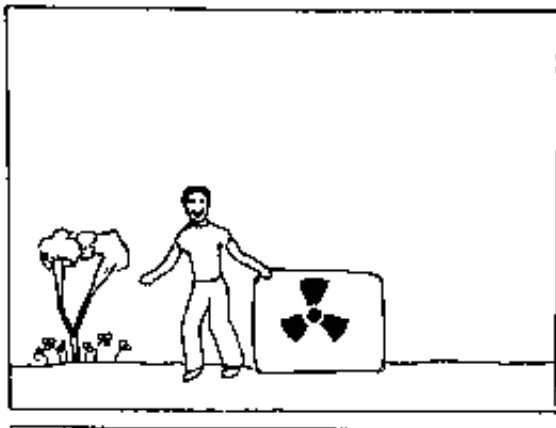

yes, not in space

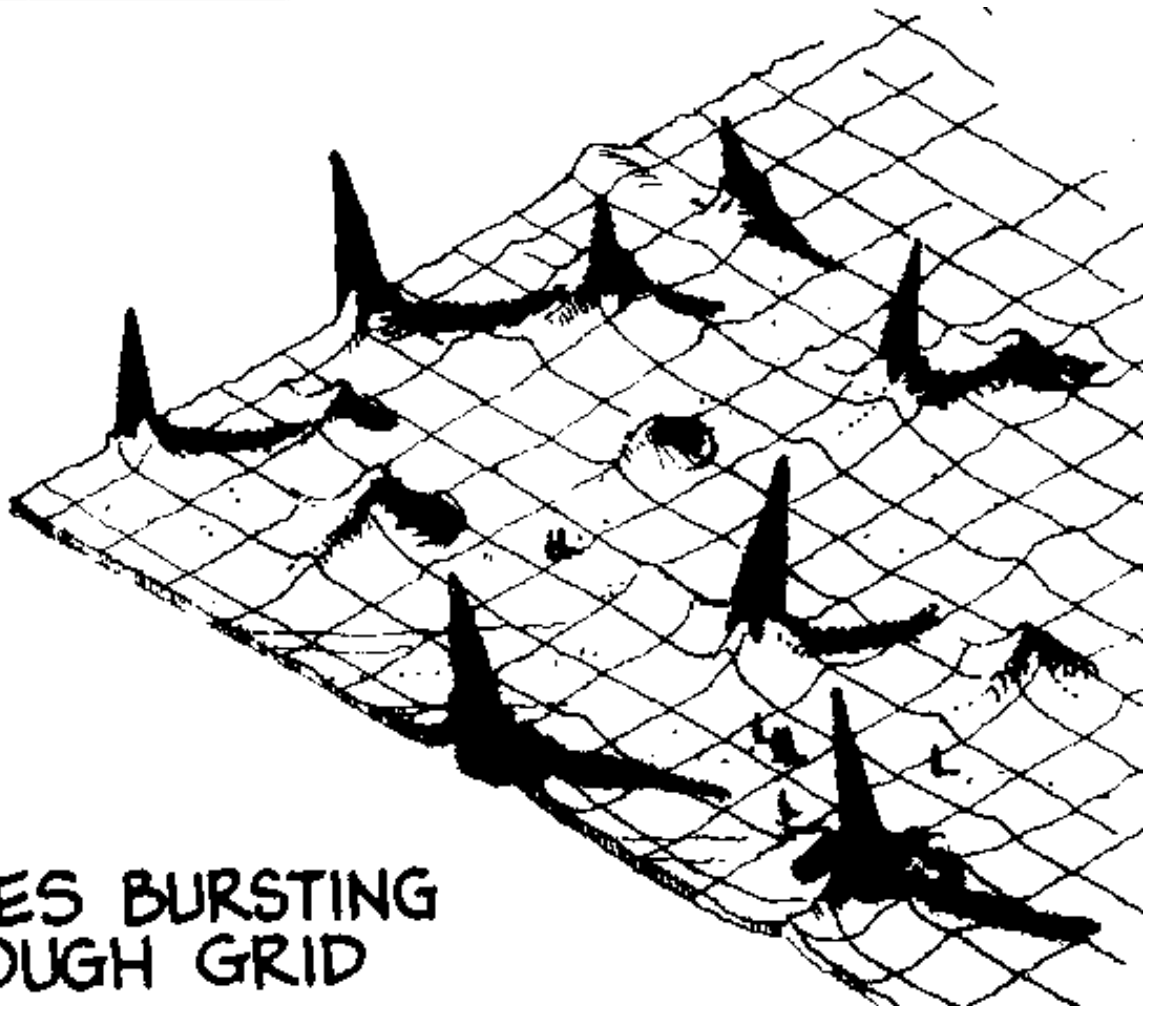

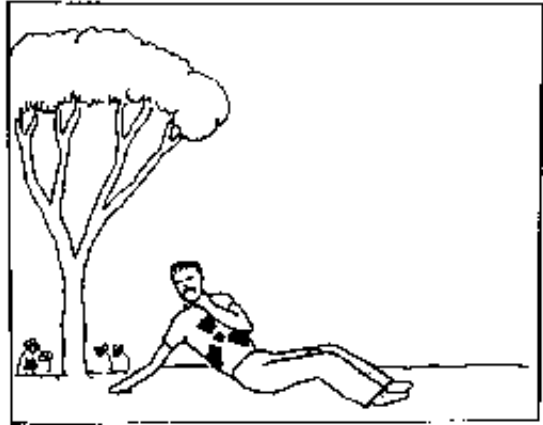

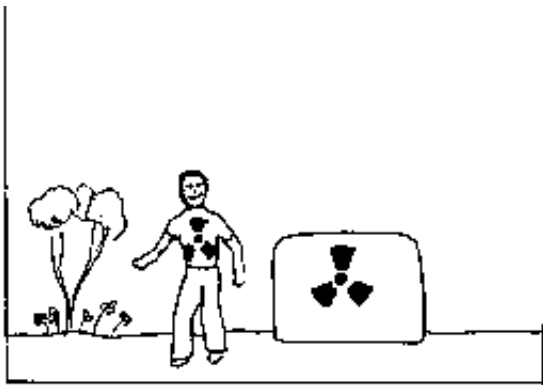

from black silica
concrete
spiral cubes

around a rubber core

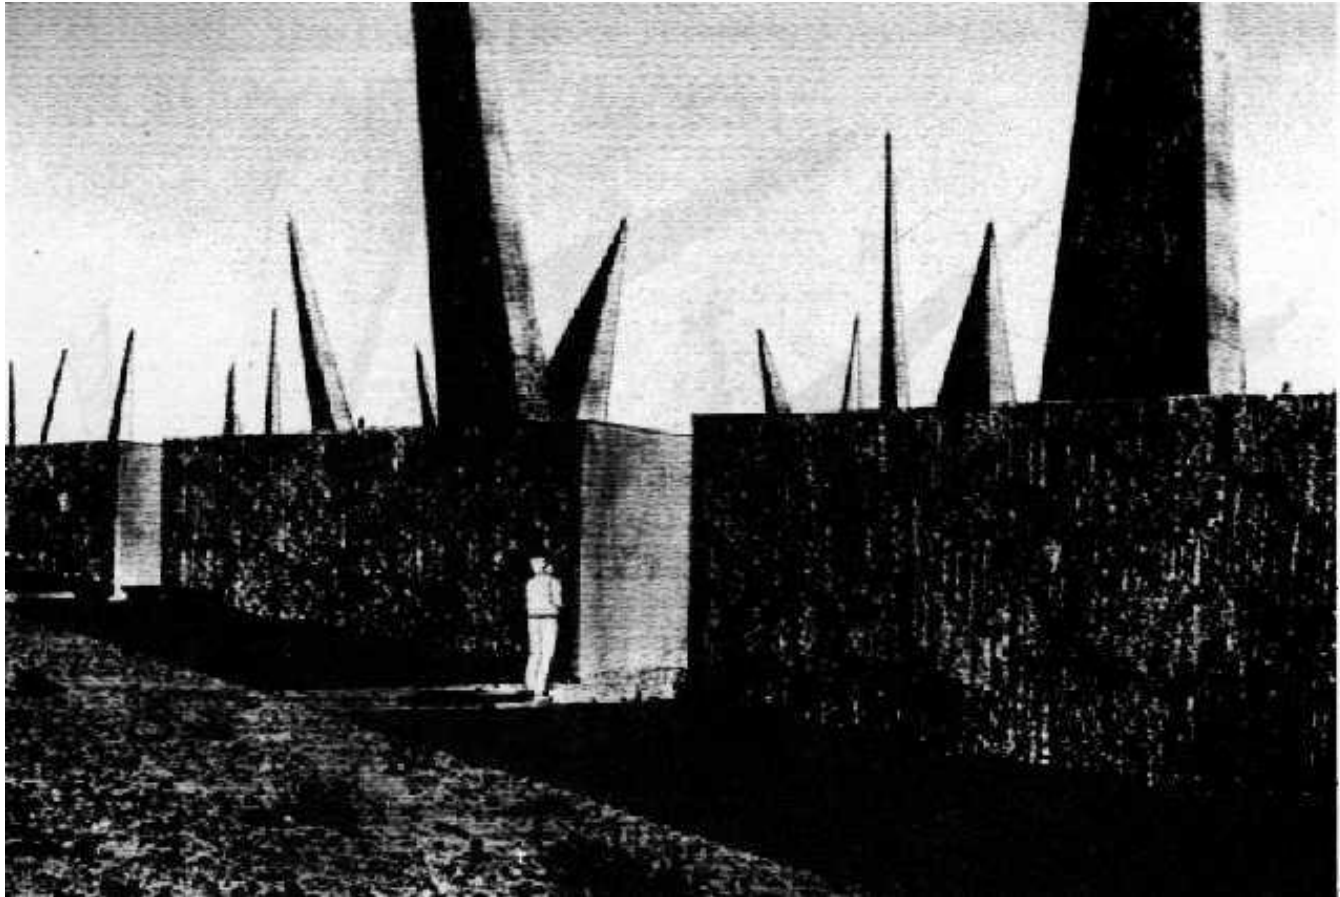

**SPIKES BURSTING
THROUGH GRID**
